

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE LODI CITY COUNCIL**

H. DIXON FLYNN

Age: 62

Occupation: Retired City Manager

My education and qualifications are: In my 40-year career, I spent 22 years serving our great nation's Army, and 19 working for city governments. For the past 13 years, I have worked for the City of Lodi, the last 9 as City Manager. It is now time for me to serve on the City Council as your voice and ears for a better Lodi.

I have a Bachelor's Degree in Accounting, a Master's in Industrial Engineering, 2 Bronze Stars for service in Vietnam, 5 Army Commendation Medals, and recognition from the League of California cities for promoting diversity credited to me.

I define quality of life as having a job that allows me to pay my bills, own a home in a safe community, and provide for my family. I believe this is what you want, too.

Lodi needs smarth growth, affordable housing, a business environment that makes us a leader in the state, and services that make us proud to be Lodian's.

Let's promote downtown development, individual property rights, a new industrial park, animal shelter, indoor sports complex, swim center, soccer field, and more parks.

Don't litigate – innovate!

God Bless Lodi! Vote Dixon Flynn for City Council.
